Santa Clara Unified Council of PTAs

1889 Lawrence Road
Santa Clara, California 95051

The Santa Clara Unified Council of PTAs is a coalition of the twenty-one (21) National Parent-Teacher Associations (PTAs) in Santa Clara Unified School District. Our mission is to positively impact the lives of all children and families.

National PTA is the largest, oldest and most respected child advocacy organization in the world. When you join your local school's PTA, you also join the National and California State PTAs. You have access to parenting and advocacy information, resources and member benefits provided by National and California State PTA. Anyone interested in improving the education and welfare of children and youth may join any PTA ~ we encourage you to enroll **every member** of your family: mom, dad, grandparents **and** students. Friends and community members are also welcome to join PTA.

Santa Clara Unified Council of PTAs is proud of the work our unit PTAs do on behalf of SCUSD students and families. Keep in touch with your local PTA. Join today and ask to be added to their email distribution list. Every PTA is a 501(c)(3) nonprofit organization. Additional support in the form of a donation to the unit or SCU Council PTA is always appreciated and tax deductible. *Our kids need your support now more than ever.*

Annual membership dues are determined by the school's PTA. You may join one or more local PTAs. Complete one form for each PTA you would like to join, enclose your membership dues with each form, and return it to SCU Council PTA; we will forward your membership to the PTA(s).
